MONITORING EXIT SUMMARY

The programmatic quality assurance review of the Wagner-Peyser Program, PREP component, for PY 2016-2017 has been completed. The sample size consisted of twenty-six (26) computer-based files. The review revealed that the PREP Employ Florida Job Seeker files monitored contained sufficient documentation to support all case management elements and that the data recorded in EFM was determined to meet the PREP documentation requirements.

The review did not reveal any Findings, Other Noncompliance Issues or Observations.
