When a local area includes more than one unit of local government, the Chief Local Elected Officials of such units may execute an agreement that specifies the respective roles of the individual Chief Local Elected Officials regarding:

- a. The selection, appointment, removal or reappointment of the members of the local board from the individuals nominated or recommended to be such members; and

If after a reasonable effort the Chief Local Elected Officials are unable to reach agreement, the Governor may appoint the members of the local board from individuals so nominated or recommended.

Local boards must adopt and abide by a conflict-of-interest policy that ensures compliance with federal and state laws, rules and regulations and applicable state policies.

Private sector membership is “balanced” by counties. The Chief Executive Officer will contact the general purpose business organization (FloridaWest or Santa Rosa Economic Development Council) from the county where a vacancy will occur/has occurred of the vacancy. The general purpose business organization will contact business leaders in their county (in targeted membership sectors) to solicit nominations. As part of the recruitment/nomination process, a Board Profile Sheet will be completed by each nominee. The general purpose business organization will use the Board Profile Sheet in their process for consideration and selection of a nominee. The general purpose business organization will submit their recommended nominee(s) to the Chief Local Elected Official for appointment consideration.

Public sector membership will generally be “agency based” and therefore requests for nominees are directed to the agency head for either self-nomination or a designee. These nominations will be submitted to the Chief Local Elected Official for appointment.
