The Workforce Innovation and Opportunity Act of 2014 is an affirmation of the work that has been done in Florida to build the workforce development system. The cornerstone of the Act is its one- stop customer service delivery system. The One-stop System assures coordination between the activities authorized in and linked to this Act.

The purpose of this MOU is to describe the cooperative workforce training, employment and economic development efforts of CareerSource Escarosa and the Partner and the actions to be taken by each to assure the coordination of their efforts in accordance with state issued requirements in order to establish and maintain an effective and successful One-stop System.
